

# Thomas Armstrong (Construction) Limited

**CLIENT:** Nuclear Decommissioning Authority (NDA)

**PROJECT:** ENERGUS

**COMPLETION:** March 2009

**CONTRACT:** JCT Design and Build

## PROJECT DESCRIPTION:

This project is a full design and build contract, consisting of a new learning academy associated with Power Generation, with a lecture theatre, workshop, teaching areas, offices and lecture rooms. There is also be a large atrium behind a glazed curtain wall elevation, with extensive external works. All work was constructed to a 'very good' BREEAM rating.
