

Thomas Armstrong (Construction) Limited

CLIENT: Home Housing Association

PROJECT: Park View Farm, Bothel

COMPLETION: March 2009

CONTRACT: JCT Design & Build Contract 05

PROJECT DESCRIPTION:

The design and construction of 10 Dwellings for Home Housing. 6 of the 10 houses were built as Affordable Houses, with garages. The remaining 4 houses are for rent. During the construction there was some listed stone to move.

The scheme was built to EcoHomes 'Good' rating (which was specified by the Client before the design and construction took place).
