

Thomas Armstrong (Construction) Limited

CLIENT: JJ Lattimer

PROJECT: Travelodge, Cockermouth

COMPLETION: December 2007

CONTRACT: JCT Design and Build

PROJECT DESCRIPTION:

The project comprised of a design and build procurement for the construction of a two storey, 43 Bed Travelodge. The work included mechanical and electrical installations, new public health installations and semi fit out. The external works comprised of the construction of new access roads, a car park area, new hard and soft landscaping and the formation of a new access into the site.
