

# Thomas Armstrong (Construction) Limited

**CLIENT:** Costain Oil, Gas and Process

**PROJECT:** Evap D Builders Work Package

**VALUE:** £1 million

**COMPLETION:** Ongoing

**CONTRACT:** NEC 3 Subcontract

**DURATION:** 52 weeks

## **PROJECT DESCRIPTION:**

Working for Costains as a tier 3 subcontractor, our package of works included the following elements: external facing blockwork, internal blockwork partitions, internal plasterboard partitions and ceilings, internal 2nd fix joinery and surface finishes to walls, ceilings and floors.

As a tier 3 subcontractor to Costain we also provided all necessary paperwork including risk assessments, method statements, SQEP details, training records, quality plans and ITP's
