

Thomas Armstrong (Construction) Limited

CLIENT: Carillion

PROJECT: SPRS Builders Works Package, Sellafield

VALUE: £250,000

COMPLETION: July 2008

CONTRACT: Carillion Subcontract

DURATION: 9 weeks

PROJECT DESCRIPTION:

Working for Carillion on the SPRS projects. Works included builders work operations including internal blockwork partitions, blockwork lift shaft, filling in temporary construction accesses, plumbing and sanitary ware installations.

As a tier 3 contractor to Carillion we also provided all necessary paperwork including risk assessments, method statements, SQEP details, training records, quality plans and ITP's.
