

Thomas Armstrong (Construction) Limited

CLIENT: Cumbria Theatre Trust

PROJECT: Theatre by the Lake, Keswick

COMPLETION: August 1999

CONTRACT: JCT 80

PROJECT DESCRIPTION:

The contract comprised the construction of a new 400 seat theatre in the Lake District National Park, complete with associated external works and drainage. The construction is mainly traditional, utilising a steel frame, clad in block work and stonework under a slated roof, and including high quality internal finishes.
