

Thomas Armstrong (CONSTRUCTION) Limited

CLIENT:

Thomas Armstrong
(Construction) Ltd

PROJECT:

Yearl Rise, Seaton

VALUE:

£1,750,837

COMPLETION:

July 2003

PROJECT DESCRIPTION:

The project consisted of a scheme of 16, 2 and 3 bedrooomed houses and bungalows, of traditional construction in facing brickwork with tiled roofs and low maintenance UPVC windows, doors, fascias, soffits etc. The development was constructed on a green field sloping site which was developed with use of retaining walls and finished off with a variety of external work finishes to a high standard, and complemented an existing development of similarly constructed properties.

Included in the project was the construction of a children's free play area and swing park
